- B) International Carriage is subject to the rules relating to liability and to all other provisions of the Convention for the Unification of Certain Rules Relating to International Transportation by Air, signed at Warsaw, October 12, 1929 (“Warsaw Convention”), or its successor, the Convention for the Unification of Certain Rules for International Carriage, signed at Montreal, May 28, 1999 (“Montreal Convention”) or such convention as amended. Any provision(s) of this Contract of Carriage which is/are inconsistent with any provision of the governing convention will be inapplicable to international transportation.
- C) Silver Airways will be responsible for the furnishing of transportation only over its own lines. When Silver Airways undertakes to issue a ticket, check baggage, or make any other arrangements for transportation over the lines of any other Carrier on an interline basis (whether or not such transportation is part of a through service), Silver Airways will act only as agent for the other Carrier and will assume no responsibility for the acts or omissions of such other Carrier.
- D) Silver Airways appointed agents and representatives are only authorized to sell tickets for air transportation pursuant to the approved fares, rules and regulations of Silver Airways.
- E) No employee, agent, servant or representative of Silver Airways has authority to alter, modify or waive any provisions of this Contract of Carriage unless authorized by a corporate officer of Silver Airways. This rule supersedes any conflicting provision contained in this Contract of Carriage.
- F) Silver Airways shall not be liable for any consequential, compensatory, indirect, incidental or punitive damages arising out of or in connection with the performance of its obligations under these rules, unless such liability is expressly provided for in this Contract of Carriage or required under applicable law.

- H) Fares apply for travel only between the points for which they are published. Tickets may not be issued at fare(s) published to and/or from a more distant point(s) than the point(s) being traveled, even when issuance of such tickets would produce a lower fare.
- I) Silver Airways will exercise reasonable efforts to ensure that all fares it publishes are accurate and available for sale, but Silver Airways, as a policy, does not file nor intend to file tickets priced at a zero fare. In the event that an erroneous zero fare is inadvertently published for sale and a ticket is issued at the erroneous fare before it has been corrected, Silver Airways reserves the right to cancel the ticket purchase and refund all amounts paid by the purchaser or, at the purchaser’s option, to reissue the ticket for the correct fare.

- 4) Failure to meet the above requirements may result in denied boarding, in which case Silver Airways shall be obligated to provide a written explanation to the passenger in accordance with 14 C.F.R. § 382.19(d).

RULE 95 - ADDITIONAL LIABILITY LIMITATIONS

For the purposes of International Carriage governed by the Montreal Convention or the Warsaw Convention, the liability rules set out in the applicable Convention are fully incorporated by reference herein and shall supersede and prevail over any provisions of this Contract of Carriage which are inconsistent with the applicable Convention. Carriage to be performed under one ticket or under a ticket and any conjunction ticket issued in connection therewith by several successive Carriers is regarded as a single operation.

- A) The Carrier shall be liable under Article 17 of the Warsaw Convention or Montreal Convention, whichever may apply, for recoverable compensatory damages sustained in the case of death or bodily injury of a passenger, as provided in the following paragraphs:
 - 1) The Carrier shall not be able to exclude or limit its liability for damages not exceeding 113,100 Special Drawing Rights for each passenger.
 - 2) The Carrier shall not be liable for damages to the extent that they exceed 113,100 Special Drawing Rights for each passenger if the Carrier proves that:
 - a) such damage was not due to the negligence or other wrongful act or omission of the Carrier or its servants or agents; or
 - b) such damage was solely due to the negligence or other wrongful act or omission of a third party.
 - 3) The Carrier reserves all other defenses and limitations available under the Warsaw Convention or the Montreal Convention, whichever may apply, to such claims including, but not limited to, the exoneration defense of Article 21 of the Warsaw Convention and Article 20 of the Montreal Convention except that the Carrier shall not invoke Articles 20 and 22(1) of the Warsaw Convention in a manner inconsistent with paragraphs (1) and (2) hereof.
 - 4) With respect to third parties, the Carrier reserves all rights of recourse against any other person, including without limitation, rights of contribution and indemnity.
 - 5) The Carrier agrees that, subject to applicable law, recoverable compensatory damages for such claims may be determined by reference to the laws of the country of the domicile or country of permanent residence of the passenger.

Contract of Carriage (Revised July 11, 2017)

- B) In cases of bodily injury or death, the Carrier shall make an advance payment where the Carrier determines it is necessary to meet the immediate economic needs of, and hardship suffered by, a passenger as provided in the following paragraphs:
- 1) Unless a dispute arises over the identity of the person to whom an advance payment shall be made, the Carrier shall, without delay, make the advance payment to the passenger in an amount or amounts determined by the Carrier in its sole discretion. In the event of death of a passenger, the amount of the advance payment shall not be less than 16,000 Special Drawing Rights, which shall be paid to a representative of the passenger's next of kin eligible to receive such advance payment as determined by the Carrier in its sole discretion.
 - 2) The Carrier shall make the advance payment as an advance against the Carrier's liability under the Warsaw Convention, or the Montreal Convention, whichever may apply. An advance payment shall not constitute recognition of liability. An advance payment shall be offset against, or deducted from the payment of, any settlement or judgment with respect to any claim for compensation on behalf of the passenger.
 - 3) The Carrier, in making an advance payment, does not waive any rights, defenses, or limitations available under the Warsaw Convention, or the Montreal Convention, whichever may apply, to any claim on behalf of the passenger, nor shall acceptance of an advance payment constitute a release of any claim, whatsoever, by any person.
 - 4) The Carrier, in making an advance payment, preserves its right to seek contribution or indemnity from any other person for such payment, which shall not be deemed to be voluntary contribution or contractual payment on the part of the Carrier.
 - 5) The Carrier may recover an advance payment from any person where it is proven that the Carrier is not liable for any damage sustained by the passenger, or where it is proven that the person was not entitled to receive the payment, or where and to the extent that it is proven that the person who received the advance payment caused, or contributed to, the damage.
- C) The Carrier shall be liable for damage occasioned by delay in the carriage of passengers by air, as provided in the following paragraphs:
- 1) The Carrier shall be liable for damage occasioned by delay in the carriage of passengers by air, as provided in the following paragraphs: (1) The Carrier shall not be liable if it proves that it and its servants and agents took all measures that could reasonably be required to avoid the damage, or that it was impossible for it or them to take such measures.
 - 2) Airport, air traffic control, security, and other facilities or personnel, whether public or private, not under the control and direction of the Carrier are not servants or agents of the Carrier, and the Carrier is not liable to the extent the delay is caused by these kinds of facilities or personnel.
 - 3) Damages occasioned by delay are subject to the terms, limitations and defenses set forth in the Warsaw Convention and the Montreal Convention, whichever may apply. They include foreseeable compensatory damages sustained by a passenger and do not include mental injury damages.

Contract of Carriage (Revised July 11, 2017)

- 4) The Carrier reserves all defenses and limitations available under the Warsaw Convention or the Montreal Convention, whichever may apply, to claims for damage occasioned by delay, including, but not limited to, the exoneration defense of Article 21 of the Warsaw Convention and Article 20 of the Montreal Convention. Under the Montreal Convention, the liability of the Carrier for damage caused by delay is limited to 4,694 Special Drawing Rights per passenger. The limits of liability shall not apply in cases described in Article 25 of the Warsaw Convention or Article 22(5) of the Montreal Convention, whichever may apply.
- D) The Carrier is liable for damages sustained in the case of destruction or loss of, damage to, or delay of checked and unchecked baggage, as provided in the following paragraphs:
- 1) The liability of the Carrier is limited in most cases to 1,131 Special Drawing Rights for each passenger in the case of destruction, loss, damage, or delay of baggage, whether checked or unchecked, under the Warsaw Convention or the Montreal Convention, whichever may apply. Unless the passenger proves otherwise:
 - a) all baggage checked by a passenger shall be considered to be the property of that passenger;
 - b) a particular piece of baggage, checked or unchecked, shall not be considered to be the property of more than one passenger; and
 - c) unchecked baggage, including personal items, shall be considered to be the property of the passenger in possession of the baggage at the time of embarkation.
 - 2) If a passenger makes, at the time checked baggage is handed to the Carrier, a special declaration of interest and has paid a supplementary sum, if applicable, the Carrier will be liable for destruction, loss, damage, or delay of such checked baggage in an amount not exceeding the declared amount, unless the Carrier proves that the declared amount is greater than the passenger's actual interest in delivery at destination. The declared amount, and the Carrier's liability, shall not exceed the total amount of declaration permissible under the Carrier's regulations, inclusive of the limitation of paragraph D.(1) hereof. In the case of transportation under the Warsaw Convention, no supplementary sum shall apply unless the declared amount exceeds 17 Special Drawing Rights per kilogram of the total recorded weight of the checked baggage at the time the baggage is handed to the Carrier. Nevertheless, the Carrier may impose charges for pieces of baggage in excess of the Carrier's free allowance.
 - 3) In the case of unchecked baggage, the Carrier is liable only to the extent the damage resulted from its fault, or that of its servants or agents.
 - 4) The Carrier is not liable for destruction, loss, damage, or delay of baggage not in the charge of the Carrier, including baggage undergoing security inspections or measures not under the control and direction of the Carrier.
 - 5) The Carrier reserves all defenses and limitations available under the Warsaw Convention, except for Article 22(3) thereof, and the Montreal Convention, whichever may be applicable, to such claims, including, but not limited to, the defense of Article 20 of the Warsaw Convention and Article 19 of the Montreal

Contract of Carriage (Revised July 11, 2017)

Convention, and the exoneration defense of Article 21 of the Warsaw Convention and Article 20 of the Montreal Convention, except that the Carrier shall not invoke Article 22(2) and (3) of the Warsaw Convention in a manner inconsistent with paragraph 4(a) hereof. The limits of liability shall not apply in cases described in Article 25 of the Warsaw Convention or Article 22(5) of the Montreal Convention, whichever may apply.

- 6) Under the Warsaw Convention and the Montreal Convention, whichever may apply, an action for damages must be brought within two years, and a complaint must be made to the Carrier within seven calendar days in the case of damage to baggage, and 21 calendar days in the case of delay thereof. For baggage claims, reimbursement for any expenses will be based upon proof of claim acceptable to Silver Airways.

RULE 96 - CLAIMS

For purposes of carriage (including Domestic Carriage) not governed by the Montreal Convention or other applicable international law, the following provisions shall apply with respect to claims:

- A) No action will be maintained for any loss of, damage to, or delay in the delivery of, any property or baggage, or on any other claim (excepting personal injury or death), in connection with transportation of, or failure to transport any passenger, property or baggage unless notice of the claim is presented in writing to a Silver Airways office within 45 days after the alleged occurrence. The action must be commenced within 2 years after such alleged occurrence. Any written notification received by the Carrier within 45 days which informs the Carrier of the nature of the claim is sufficient to meet the requirements for timely notice. Failure to give the above notice will not be a bar if the claimant can show good cause for his/her failure to bring claim within 45 days.
- B) In the case of allegedly missing, delayed or damaged baggage, the provisions in A) will apply, except that preliminary notice of loss, delay or damage must be submitted to the Carrier, in writing, within 4 hours after arrival of the flight on which the loss, delay or damage is alleged to have occurred. If the claimant fails to give notice within the given time limits, no action will lie against the Carrier unless the claimant establishes to the satisfaction of the Carrier that he/she was unable to give such notice.
- C) In addition to the requirements in paragraph A) above, no claims for overcharge will be valid and no action will be maintained thereon more than 2 years after the date of the alleged overcharge.

A ticket will be issued for each seat and the normal baggage allowances will apply in connection with each such ticket presented to Silver Airways.

RULE 105 - TICKET VALIDITY

- A) Period of Validity: Except as provided in paragraph C) 1) below, a ticket for transportation on Silver Airways is valid for one year from the date of issuance of the original ticket.
- B) Extension of Validity:
 - 1) If the passenger is prevented from using the ticket, or a portion of the ticket, during the period of validity specified in paragraph A) above, or such shorter period of validity applicable to an excursion or special fare under paragraph C) 1) below, due to lack of space or flight cancellation, the ticket will remain valid until space can be provided on a schedule comparable to that which the passenger had requested.
 - 2) For fares other than those under paragraph C) below, if the passenger is unable to commence or continue travel due to personal illness, physical incapacity, or the illness or physical incapacity of a member of the passenger's Immediate Family, or of an associate with whom the passenger is traveling, the Carrier will extend the period of validity beyond the original limit not to exceed 30 days. The illness or incapacity must be certified in writing by a physician, specifying that the passenger is prevented from completing the journey before the expiration of the original time limit because of such circumstances. The certificate must be surrendered to the Carrier, and the ticket and all flight coupons affected must be endorsed by the agent to indicate that an extension has been granted.

- a) When Transportation Has Not Commenced From Point of Origin:
 - i) When traveling at a fare requiring travel as part of a group, the passenger will be permitted to travel with a subsequent group traveling on the same type of fare (governed by the same rule as the fare on which the passenger was originally ticketed), without regard to any minimum reservations or ticketing limit, but will not be permitted to commence travel individually unless in accordance with the applicable tariff.
 - ii) When traveling at a fare that permits individual travel, the passenger will be permitted to commence travel on a subsequent flight without regard to any minimum reservation, ticketing limit, or maximum passenger limitation.

 - iv) If the medical certificate or death certificate is not available at the time the passenger is to travel, or, if the Carrier has reason to doubt the validity of such certificate, the passenger will be accommodated upon payment of the fare applicable to transportation actually used, and a request for refund may be filed with the Carrier. Upon receipt of the claim form and all supporting documents, and after determining the validity of the claim, the Carrier will refund to the passenger, the difference between the total fare paid by the passenger and the amount the passenger would have paid under the provisions of this rule

- v) Any extension of validity or restrictions waived will also apply to members of the immediate travel party who accompany the passenger described in paragraph D) 3) above.

- B) **Overbooking:** The Carrier’s flights may be subject to Overbooking, which could result in the Carrier’s inability to provide previously confirmed space for a given flight. In that event, the Carrier’s obligation to the passenger is governed by Rule 245 regulating the payment of denied boarding compensation. The term Overbooking as used in this Rule 115 means the limited acceptance of more confirmed reservations on a given flight than the seating capacity of the aircraft.

 - 1) Circle Trip/Round-Trip Maximum: If the fare constructed for such routing exceeds the fare for a circle trip or round trip constructed from the same point of origin which would include such routing, the circle trip or round trip fare would apply.

RULE 185 - ROUTINGS

- A) Each fare applies to transportation via the routings specified in connection with such fare.  - 2) When the transportation is over the lines of Silver Airways and one or more Carriers with a limitation of liability exceeding \$3,500.00 USD for each fare-paying passenger and responsibility for loss, damage, or delay in delivery of baggage cannot be determined, the liability limit of \$3,500 USD for each fare-paying passenger will be applied to all Carriers. Whenever responsibility for loss, damage,

Contract of Carriage (Revised July 11, 2017)

or delay in delivery of baggage cannot be determined and when transportation is via Silver Airways and one or more Carriers which exclude certain items in checked baggage from their liability, Silver Airways will not be liable for the excluded items.

Such items include but are not limited to, sleeping bags, luggage racks, luggage Carriers and umbrellas.
 - 4) The maximum liability limitations set forth above shall not apply to claims for the loss of, damage to, or delay in the delivery of wheelchairs or other assistive devices. The Carrier will accept these items as checked baggage regardless of packaging, but will not be responsible for repair or replacement of such items due to damage existing at the time of acceptance. Any such damage will be noted by Silver Airways at the time of acceptance.
 - 5) Silver Airways assumes no responsibility for personal items or baggage carried in the passenger compartment.
 - 6) When the Carrier has exercised the ordinary standard of care, it will not be liable for spoilage resulting from delay in delivery of any perishables described in Rule 195 nor for damage to, or damage caused by, fragile articles described in Rule 195 that are unsuitably packed, and that are included in the passenger's checked baggage with or without the Carrier's knowledge. The Carrier will not be liable for the damage or delay in delivery of a passenger's checked baggage and property accepted according to the execution of a release as set forth in Rule 195, to the extent that such release relieves the Carrier of liability.
 - 7) The Carrier assumes no liability for precious or highly valuable items, including, but not limited to those listed in Rule 195, or damages caused by such articles included in the passenger's baggage, with or without the knowledge of the Carrier. These items should be hand carried by the passenger or, if too large, shipped as commercial freight.

- B) For International Carriage governed by the Montreal Convention or other applicable international law, the following provisions shall apply with respect to baggage liability:

Contract of Carriage (Revised July 11, 2017)

- 1) The Carrier is liable for damage sustained in case of destruction or loss of, or of damage to, checked baggage upon condition only that the event which caused the destruction, loss or damage took place on board the aircraft or during any period within which the checked baggage was in the charge of the Carrier. However, the Carrier is not liable if and to the extent that the damage resulted from the inherent defect, quality or vice of the baggage.
- 2) In the case of unchecked baggage, including personal items, the Carrier is liable if the damage resulted from its fault or that of its servants or agents.
- 3) The Carrier is liable for damage occasioned by delay in the carriage by air of baggage. Nevertheless, the Carrier shall not be liable for damage occasioned by delay if it proves that it and its servants and agents took all measures that could reasonably be required to avoid the damage or that it was impossible for it or them to take such measures.
- 4) In the carriage of baggage, the liability of the Carrier in the case of destruction, loss, damage or delay is limited to 1,131 Special Drawing Rights for each passenger unless the passenger has made, at the time when the checked baggage was handed over to the Carrier, a special declaration of interest in delivery at destination and has paid a supplementary sum if the case so requires. In that case the Carrier will be liable to pay a sum not exceeding the declared sum, unless it proves that the sum is greater than the passenger's actual interest in delivery at destination.

Schedules are subject to change without notice. Except as stated in this rule, Silver Airways will have no liability for making connections, failing to operate any flight according to schedule, changing the schedule for any flight, changing seat assignments or aircraft types, or revising the routings by which Silver Airways carries the passenger from the ticketed origin to destination.

If the passenger does not request a refund and cancellation of the ticket, Silver Airways will transport the passenger to the destination on Silver Airways' next flight on which seats are available. At Silver Airways' sole discretion and if acceptable to the passenger, Silver Airways may arrange for the passenger to travel on another carrier or via ground transportation.

- 1) Hotel Rooms: Silver Airways will provide one night’s lodging, or a maximum allowance for one night’s lodging as established by each location, when the delay is during the period of 10:00 pm to 6:00 am. - B) Definitions: For the purpose of this Rule 245, definitions of the following terms are as indicated.
- 1) Airport means the airport at which the direct or connecting flight, on which the passenger holds confirmed reserved space, is scheduled to arrive, or some other airport serving the same metropolitan area that is served by the former, provided that transportation to the other airport is accepted and used by the passenger.

 - 4) Confirmed reserved space means space on a specific date and on a specific flight and class of service of a Carrier which has been requested by a passenger, including a passenger with a "zero fare ticket," and which the Carrier or its agent has verified, by appropriate notation on the ticket or in any other manner provided therefore by the Carrier, as being reserved for the accommodation of the passenger.
 - 5) Fare means the price paid for air transportation including all mandatory taxes and fees. It does not include ancillary fees for optional services.

The travel credit will be valid only for travel on Silver Airways or designated Codeshare partners for one year from the date of issue and will have no refund value. If a passenger is asked to volunteer, Silver Airways will not later deny boarding to that passenger involuntarily unless that passenger was informed at the time he was asked to volunteer that there was a possibility of being denied boarding involuntarily and of the amount of compensation to which he/she would have been entitled in that event. The request for volunteers and the selection of such person to be denied space will be in a manner determined solely by Silver Airways.

- D) Boarding Priorities: No one may be denied boarding against his/her will until Silver Airways or other Carrier personnel first ask for volunteers who will give up their reservations willingly in exchange for compensation as determined by Silver Airways. If there are not enough volunteers, other passengers may be denied boarding involuntarily in accordance with Silver Airways' boarding priority:
- 1) Passengers who are Individuals with Disabilities, unaccompanied children under the age of 13 years, or children between the ages of 13 and 17 who are using Silver Airways' escorted service, will be the last to be involuntarily denied boarding if it is determined by Silver Airways that such denial would constitute a hardship.
 - 2) The priority of all other confirmed passengers may be determined based on a passenger's fare class, itinerary, status of frequent flyer program membership, and the time in which the passenger presents him/herself for check-in without advanced seat assignment.
- E) Transportation for Passengers Denied Boarding: When Silver Airways is unable to provide previously confirmed space due to an oversold flight, Silver Airways will provide transportation to such passengers who have been denied boarding whether voluntarily or involuntarily in accordance with the provisions below.
- 1) Silver Airways will transport the passenger on its own flight to the destination without Stopover on its next flight on which space is available at no additional cost to the passenger, regardless of class of service.
 - 2) If space is available on another Carrier's flight regardless of class of service, such flights may be used upon passenger's request and at no additional cost to the passenger only if such flight provides an earlier arrival than the Silver Airways flight offered in 3) a) above.
- F) Compensation for Passengers Denied Boarding Involuntarily:
- 1) For passengers traveling in interstate transportation between points within the United States, subject to the exceptions in section c) below, Silver Airways shall pay compensation to passengers denied boarding involuntarily from an Oversold Flight at the rate of 200% of the fare to the passenger's first Stopover or, if none, destination, with a maximum of \$675.00 USD if Silver Airways offers Alternate Transportation that, at the time the arrangement is made, is planned to arrive at the passenger's destination or first Stopover more than one hour but less than two hours after the planned arrival time of the passenger's original flight. If Silver Airways offers Alternate Transportation that, at the time the arrangement is made, is planned to arrive at the passenger's destination or first Stopover more

Contract of Carriage (Revised July 11, 2017)

- 2) For passengers traveling from the United States to a foreign point, subject to the exceptions in section c) below, Silver Airways shall pay compensation to passengers denied boarding involuntarily from an Oversold Flight originating at a U.S. airport at the rate of 200% of the fare to the passenger's first Stopover or, if none, destination, with a maximum of \$675.00 USD if Silver Airways offers Alternate Transportation that, at the time the arrangement is made, is planned to arrive at the passenger's destination or first Stopover more than one hour but less than four hours after the planned arrival time of the passenger's original flight. If Silver Airways offers Alternate Transportation that, at the time the arrangement is made, is planned to arrive at the passenger's destination or first Stopover more than four hours after the planned arrival time of the passenger's original flight, Silver Airways shall pay compensation to passengers denied boarding involuntarily from an Oversold Flight at the rate of 400% of the fare to the passenger's first Stopover or, if none, destination with a maximum of \$1350.00 USD.
- 3) For purposes of calculating the compensation due under Rule 245 F) in the case of a Zero Fare Ticket, the fare will be determined by the value of the lowest cash, check, or credit card payment charged for a ticket in the same class of service on the flight on which the passenger intended to travel.
- 4) EXCEPTIONS: A passenger denied boarding involuntarily from an Oversold Flight shall not be eligible for denied boarding compensation if:

 - iv) The passenger is offered accommodations or is seated in a section of the aircraft other than that specified on his/her ticket at no extra charge. Provided, if a passenger is seated in a section for which a lower fare applies, the passenger will be entitled to a refund applicable to the difference in fares;
 - v) The passenger is accommodated on Alternate Transportation at no extra cost, which at the time such arrangements are made, is planned to arrive at the airport of the passenger's next Stopover, (if any), or at the destination, not later than 60 minutes after the planned arrival time of the flight on which

5) Form and Timing of Payment:

- i) Compensation in the form of check, except for travel from Canada, will be made by Silver Airways on the day and at the place where the failure to provide confirmed reserved space occurs, and if accepted by the passenger, the passenger will provide a signed receipt to Silver Airways. However, when Silver Airways has arranged, for the passenger's convenience, Alternate Transportation that departs before the compensation to the passenger under this provision can be prepared and given to the passenger, the compensation shall be sent by mail or other means to the passenger within 24 hours thereafter.

- 6) If Silver Airways' offer of compensation pursuant to the above provisions is accepted by the passenger, such payment will constitute full compensation for all actual or anticipatory damages incurred or to be incurred by the passenger as a result of Silver Airways' failure to provide the passenger with confirmed reserved space. If Silver Airways' offer of compensation pursuant to the above provisions is not accepted, Silver Airways' liability is limited to actual damages proved not to exceed \$1350.00 USD per ticketed passenger as a result of Silver Airways' failure to provide the passenger with confirmed reserved space. Passenger will be responsible for providing documentation of all actual damages claimed. Silver Airways shall not be liable for any punitive, consequential or special damages arising out of or in connection with Silver Airways' failure to provide the passenger with confirmed reserved space.

G) Additional Provision: In addition to the denied boarding compensation specified in this Rule 245, Silver Airways shall refund all unused ancillary fees for optional services paid by a passenger who is voluntarily or involuntarily denied boarding, provided however that Silver Airways is not required to refund the ancillary fees for services that are provided with respect to the passenger's alternate transportation.

H) Oversales at Non-U.S. Airports: When, with respect to a nonstop flight segment originating at a point outside the United States, Silver Airways is unable to provide previously confirmed reserved space due to more passengers holding confirmed reservations and tickets than there are available seats on the flight, Silver Airways will follow applicable local or international laws regulating compensation for oversold flights.

RULE 255 - REROUTING

A) Applicability: The Carrier will reroute a passenger at the passenger's request and upon presentation of the ticket or portion thereof held by the passenger in accordance with this Rule 255.

B) Fare Applicable to Rerouting or Change in Destination

1) The passenger may change the flight/date, routing and/or the ultimate destination designated on his/her ticket in accordance with Paragraph 2) below, PROVIDED that, after transportation has commenced, a one-way ticket will not be converted into a round / circle / open-jaw trip ticket.

2) Except as otherwise provided in Rule 240 (Flight Delays/Cancellations), the fare and charges applicable when change in flight/date, rerouting, or change in ultimate destination is made at the passenger's request at an office of the Carrier before arrival at the ultimate destination named on the original ticket, will be the fare and charges that would have been applicable had the original ticket designated the routing and/or ultimate destination as revised by the new ticket. Any difference between the fare and charges so applicable and the fare and charges applicable to the original ticket issued to the passenger will be collected from or refunded to the passenger, as the case may be.

EXCEPTION 1: The applicable fare and charges will be those in effect on the date the change in flight/date, rerouting or change in ultimate destination is entered on the passenger's ticket.

When tickets are accepted, no adjustments in fare will be made which would require the other Carrier to refund money to the passenger.

RULE 260 - INVOLUNTARY REFUNDS

Any unused portion of the ticket must be surrendered at the time of the refund request. The amount of the refund will be calculated as follows:
 - 1) If no portion of the ticket has been used, in accordance with these rules, the refund will be an amount equal to the total fare and charges paid.

A refund made in accordance with this procedure to a person representing him/herself as the person so designated in the ticket or exchange order shall be deemed a valid refund, and the Carrier will not be liable to the true passenger for another refund.
- 6) If, at the time of application for refund, evidence is submitted that a company purchased the ticket on behalf of its employee, or the travel agent has made refund to its client, such refund will be made directly to the employee's company or the travel agent.

 - a) If the passenger has purchased a new ticket covering the same transportation as that covered by the unused portion of the lost ticket, the refund will be an amount equal to the fare and charges paid for such new ticket.
 - b) If the passenger has not purchased a new ticket covering the same transportation as that covered by the unused portion of the lost ticket; the refund will be an amount equal to the difference between the fare and charges paid, and the fare and charges applicable to the transportation of the passenger covered by the used portion of the ticket.
 - 3) The refund will be made upon receiving application for such refund. EXCEPTION 1: Processing of the application may take up to 120 days, due to the time required for Silver Airways to research the ticket.
